TRADE PROGRAM GUIDE

ABOUT US

NextART specializes in providing tailored art solutions for corporate, boutique hospitality, and multifamily projects. Our curated approach ensures each project receives thoughtfully selected designs that enhance spaces, reinforces brand identity, and creates memorable moments for guests.

With creative collaboration, we offer everything from framed prints to original paintings, designed to meet the goals of each client.

OUR TRADE PROGRAM

Our trade program is designed to seamlessly connect professionals in the design and hospitality industries with curated art solutions tailored to their projects and budgets.

Collaborating closely with industry experts, we specialize in custom art curation, ensuring every piece enhances the unique vision of a space. From initial consultations to final delivery, our dedicated team offers exceptional customer service, providing guidance and support at every step. By combining creativity, expertise, and attention to detail, our program helps bring inspired design concepts to life.

BECOME A MEMBER

- Fill out our Trade Program application online.
- Once reviewed, we will send a confirmation email notifying you on the status of your trade membership activation.

STRENGTHS AND CAPABILITIES

- Family-owned company for 20+ years.
- HQ in Toronto, Canada.
- 210k square foot facility with over 100 employees.
- Produced in Toronto and supported by a network of trusted partner manufacturers worldwide.
- We specialize primarily in framed wall décor, with additional expertise in pillows, lamps and mirrors. Our capabilities include a wide range of techniques and materials: stretched canvas, framed canvas, hand-painted and embellished canvas, cotton canvas, framed glass, printed glass, print on linen, oil transfer, hand foiling, hot-stamp foiling, transfer on board, and crystal glass.

IN-HOUSE ARTISTS AND DESIGNERS

A vast and constantly growing library of proprietary imagery, created by our in house artists and graphic designers, coupled with access to art from all the leading publishers.

SUSTAINABILITY

- Currently using recycled polystyrene for moldings.
- Repurpose plastic materials, like styrofoam, sourced from local partners.
- Recycled polyester and BCI cotton are available.

TORONTO & BROADEN ART USE HP PRINTERS AND HP LATEX INK WHICH ARE BETTER FOR THE ENVIRONMENT:

- HP Latex Ink utilizes water-based inks that contain no Hazardous Air Pollutants (HAPs) and are non-flammable, non-combustible, and nickel-free.
- HP Latex Inks allow print service providers to produce odorless prints for indoor display in sensitive environments such as hospitality and healthcare.
- HP Latex Inks have qualified for certifications that demonstrate they meet some of the world's most rigorous and comprehensive standards for low chemical emissions into indoor air, such as ECOLOGO and GREENGUARD.
